MOTION TO INTERVENE in the Application of Arizona American Water Company for increases in its Rates and Charges for utility service

Re: Docket No. W-0 1303A-10-0448

As President of the Crystal Springs Estates Homeowners Association, I am representing the homeowners in requesting that the Association be allowed to intervene in the application for increases in the water rates and charges filed by the Arizona American Water District. The rate increase of 83% requested by the Arizona American Water District is extreme and totally out of line.

Therefore, on behalf of the Crystal Springs Estates home owners, I am requesting that the Association be allowed to intervene in the rate case.

Sincerely,

Mike Orose, President
Board of Directors
The Crystal Springs Estates Homeowners Association
